- Industrial PhDs
- Master Thesis
- On-going research projects
- Internal and external financing
- Triple helix → innovative leverage

# What can Saab offer you?

---

A purpose

Cutting edge technology

Innovative culture

Fantastic people

The image features two large, illuminated signs against a dark, overcast sky. On the left is the Saab logo, which is an oval emblem containing a crowned griffin and the word 'SAAB' at the top and 'TECHNOLOGIES' at the bottom. To the right is the word 'SAAB' in a large, stylized, three-dimensional font. Both signs are supported by white metal structures.

Thank you!
